

Eleven Plus Verbal Reasoning Worksheet - LETTER SEQUENCES

<u>QUESTION</u>	
	Find the pair of letters that continue the series in the most sensible way. Write the answer in the space provided. SK, QL, OM, MN, KO, (_____)
<u>HOW TO DO IT</u>	
	Find the pair of letters that completes the sequence in the best way.
<u>HINT</u>	
	Write out the alphabet if you get stuck. Try to look for patterns in the first letters in each pair, then in the second letters in each pair. e.g. AF BH CJ DL (_____) The first letters are in alphabetical order, so next one is E. The second letters go up in twos, so the next one is N. Answer is EN .
<u>ANSWER</u>	
	IP
